AREL MEDIA EXPERIENCE

AREL MEDIA, COMBINING CONVENTIONAL AND DIGITAL MEDIA, MAKES AN IMPORTANT EXPERIENCE POSSIBLE FOR THE STUDENTS BEFORE GRADUATION

Istanbul Arel University carries out important tasks with the students of Arel Media developed within the university. The news portal arelnews.com ascertaining the agenda of Turkey and the World, TV Arel where famous and expert people in related areas participate, Radyo Arel with podcasts and live broadcasts, Arel Repost which is the representation of conventional media and the journal Kareli meet their readers, viewers and audience.

SELF-IMPROVEMENT WITH STUDENT CLUBS

Our university aspires to cultivate the students as individuals who are self-confident and aware of social entrepreneurship. The students are provided with qualifications through which they can shape their career paths and meet the requirements of certain industries...

The students can gain organizational experience and an important network with over 60 student clubs and hundreds of events throughout the terms, along with contributing to their personal development.

The Only University providing MT Education (Management Trainee)

Management Trainee: The student clubs are provided with the training of club event management, entrepreneurship and leadership, design and marketing and budget management.
